**HEARING THE PUBLIC**

Cindy Aardema, Community & Family Engagement Coordinator with Easterseals Serving Greater Cincinnati, shared information about an important transition youth program. The program is a partnership between Easterseals and HCDDS that serves young adults, aged 18-25, with a focus on transition readiness and developing transferable job skills. Recruiting for the program is ongoing with a virtual open house planned in a couple of weeks. The details will be shared at a later date. The program is currently housed at the Vineyard Westside Church in Cheviot.

Easterseals is here and is ready to partner with HCDDS now and in the future.

**SUPERINTENDENT’S REPORT – Reported by Ms. Snyder**

A. COVID-19 Data

Hamilton County Data as of 01/03/2021 (no tests/results for 2021 in this data):

<table>
<thead>
<tr>
<th>COVID-19 Testing Results for ALL Reported Tests (UI/MUI)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Negative</td>
</tr>
<tr>
<td>810</td>
</tr>
</tbody>
</table>

Demographics of ALL Positive Results:
200 Male (61%)/126 Female (39%)/Average Age= 44

11 Deaths
9 Confirmed COVID Related
1 Presumed COVID Related
1 Unknown (although COVID positive)

Living Arrangements of positive results
77 Family Home
105 Supported Living
Ms. Snyder reported that OACB has been collecting data to put together an accounting of cases statewide. The state was only capturing cases that resulted in an MUI so we are missing a lot of cases. At some point the goal is to have a more comprehensive number to see the real impact of COVID in Ohio for the people we serve.

B. COVID-19 Vaccine Distribution

Currently, vaccines are being distributed for people in the first priority category. People who live in congregate settings, as well as the staff in those settings, are currently eligible for vaccines. For our purposes, this includes any setting where two or more people with developmental disabilities reside together. Although the number of vaccines is limited, the health districts are doing a great job getting the vaccines they do have available out to those eligible to receive them. We are working closely with them. In addition to providing them with a full listing of all congregate settings, we are also working diligently to develop plans to be able to host a vaccination site which will include support from board and provider agency employees.

Additionally, people with developmental disabilities who have “congenital, developmental, or early onset medical disorders that make them particularly vulnerable” will be included in the 1B priority group. Although specific details will be provided in the near future, we do know that county boards will need to contact anyone eligible based on a review by DODD. We anticipate there will be many questions regarding this phase and are preparing communications to assist people in understanding the process.

Our agency has been working closely with the local health districts and the Hamilton County Board of Health on how to get the vaccine to the people we serve. This effort has been going very well and we just learned yesterday that we will be able to host some vaccine clinics at Kingsley. This may begin as early as next week. We are just waiting for our staff to be trained to start the process.

C. Provider Support and Partnership

- We heard from providers of individuals experiencing worsening symptoms of COVID not being admitted to the hospital. Individuals were instead sent home with a DSP to monitor as their symptoms. To help support DSPs, we developed a contract with BrightStar to provide 24-hour on-call nursing consultation.
- We hosted one PPE pass out to 46 providers. HCDDS received surgical masks and 150 pulse oximeters that were distributed to agency providers. HCDDS passed out COVID antigen tests received by DODD to approved ICFs.
- Working with vaccination preparation with DODD and also health departments in Hamilton County:
  - Received lists of congregate and licensed settings from DODD and added provider contact information
  - Reached out to each provider letting them know that they support a person who is eligible for a Phase 1 vaccine.
  - Maintaining a list of individuals who have heard from their pharmacy about receiving the vaccine directly from the pharmacy.
• Working with the health departments to collaborate and offer resources so individuals in our system can receive the vaccine in a timely manner.
• Beginning in January, HCDDS will be temporarily be offering BCI checks for newly hired DSPs at our Support Center location one day a week.
• HCDDS will also be offering temporary reimbursement for required coursework for new DSPs and for Medication Certification 1 renewal. HCDDS quality assurance nurses developed a training curriculum and will be offering free training in 2021 for DSPs.
• Developed and implemented a process for providers to request extraordinary or unusual costs incurred by residential providers due to COVID-19 and not reimbursable by Medicaid from 11/1/20, on a first-come, first-served basis.
  • These funds can be used for hotel fees, cleaning/sanitizing supplies, additional PPE, takeout meals for individuals/staff, and other needed items for a setting impacted by COVID.

D. School Updates
COVID-19 Positive Cases at MBR: 6 staff, 1 student, and at BBF: 2 staff
School Enrollment Data:
  Total Students= 62,
  Rost: 33 (20 in person, 8 remote, 4 satellite)
  Fairfax: 29 (21 in person, 9 remote)

E. 2020 Waiting List Data
Ms. Snyder provided the board with the 2020 waiting list statistics in their packet for their information. If you have any questions, please let Ms. Snyder know.

F. 2020 Waiver Data
Ms. Snyder provided the board with the 2020 waiver statistics in their packet. If you have any questions, please let her know.

G. Early Intervention Annual Performance Report

  The EI team received their annual performance report and was at 100% for compliance indicators as required by the Ohio Department of Education (ODE). There are currently 594 children enrolled in EI services. There were 874 contacts with families the past month. There were 85 developmental evaluations/assessment completed remotely this past month and 771 completed year-to-date.

H. Future Events
  01/18/21 – Martin Luther King Jr. Day-all HCDDS Offices and Schools are closed
