

# Medicaid Moratorium Ending March 31, 2023

The federal public health emergency that prevented people from being disenrolled from Medicaid will expire on March 31, 2023. If you receive Medicaid benefits, you must respond to requests for information or renewal packets.

If members do not respond to requests for information, they may be at risk of losing healthcare coverage or funding for Medicaid waiver services, even if they still meet eligibility criteria. The HCDDS Benefits Team strongly recommends you, or your designated Medicaid authorized representative, proactively update your contact information.

**Call Hamilton County Job & Family Services  
to ensure your contact information is correct**

**(513) 946-1000**

Your contact information can include your name, residential address, mailing address (if different from home address), phone number and email address. Ohio resumed routine eligibility operations on Feb. 1, 2023 and will begin mailing termination letters to those no longer eligible for Medicaid in April 2023.
