THE FUTURE IS NOW

FUTURE PLANNING SESSIONS FOR
FAMILIES WITH AN OLDER CAREGIVER

The Future is Now is a multi-part series hosted online via Zoom and designed to help older caregivers and their family members with a disability make plans for the future. Throughout the series, families get help to create a letter of intent, a non-legal document that captures family desires and goals for the future. Creating a letter of intent can help families gain peace of mind that comes with having a plan.

Each session offers an opportunity to learn about important topics:

- > Hopes, dreams, and worries for the future
- > Future living arrangements
- > Expanding personal networks
- > Supports for older caregivers
- > Maximizing public benefits (SSI/SSDI/Social Security)
- > Keepers of the dream
