It's MY Turn

February 15th

Lunch & Learn | 12-1 PM

Learn more about this self-determination curriculum for students with disabilities in middle school through high school. Students will learn about themselves, the choices they have, becoming better self-advocates and how to be better prepared to enter the adult world as they transition from school to the community.

Professionals:

Looking for tools to assist your students in becoming prepared for life after high school?

Parents:

Would you like your child to become better prepared for their future after graduation?
